

The diffusion of education policy ideas

Lee Crawford, Susannah Hares, Justin Sandefur, Ana Minardi, Ayesha Khan, Center for Global Development

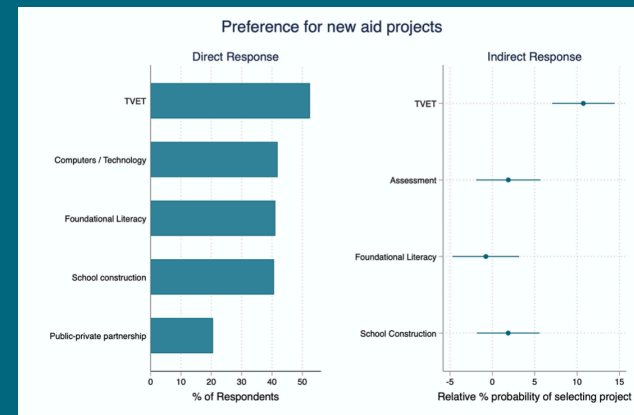

Intro

- Aid is 0.75% of gov ed spending in LMICs
- So influence must come from ideas

Discrete Choice Experiment Results

- LMIC Officials strong pref for TVET
- strong preference for socialisation

Evidence Use Experiment Results

- Sample size & context matters
- Research methods do not
